# About The Event

## Welcome to the Inaugural Mansfield Tiger Invitational!

On September 26, 2026 we are going to not only host, but hopefully begin to reinvent the concept of high school marching contests. We are inviting bands from across the region to join us for our event. We will be introducing new concepts, including a new "Finals Competition" format that supports both large band and small band competition, as well as an "Individual Marcher" competition - the first of its kind. We will also support "Vendor Row" to allow and support local businesses. We have invited a world class judges panel and on the field clinicians as well as local colleges and universities to promote their schools and future music and college education opportunities for every student that attends. We are excited to bring this event to Mansfield and we look forward to your participation!

## \* Event Objectives

Our goal is to give a great amount of attention and appreciation to our sponsors, while offering multiple levels of sponsorship participation levels to allow businesses and groups to sponsor on a level that matches their ability.

- Reach Your Local Community!
- Support Your Local Schools!
- Be a part of something special!

You will also receive recognition throughout the event over the loudspeaker
